TECHNICAL DATA

WEX-LAN Foaming Skin Cleanser

WEX-LAN is a potassium soap of natural fats and oils and meets the most basic requirements of soaps. That is, it is not a primary skin irritant, and it is not a skin sensitizer.

WEX-LAN is an extremely mild skin foaming soap made from 100% natural ingredients. It has been specifically formulated for use in those areas where the skin must be cleansed frequently with an absolute minimum of irritation.

WEX-LAN is ideal for use in nursing homes, hospitals, and other health care facilities, as well as food handling establishments, schools, offices and many other institutional, industrial, and commercial establishments.
