WEX-PRO SYSTEM

GLASS CLEANER CONCENTRATE

FAST EFFECTIVE MULTIPURPOSE

WEX-PRO #5, GLASS CLEANER CONCENTRATE is a highly concentrated alcohol-based glass and multipurpose cleaner designed for professional, industrial and institutional users.

BENEFITS:

- Freeze Thaw Stable
- Highly Concentrated, Less Product Use
- Low Sudsing, Streak Free
- Biodegradable
- Multipurpose

WEX-PRO #5 GLASS CLEANER CONCENTRATE provides quick removal of stubborn grease & grime, fingerprints, smudges, spotting, etc.

RECOMMENDED USES:

Use on windows, mirrors, countertops, fixtures, appliances, plastic, vinyl, and everything made of glass, chrome, stainless steel or porcelain. It should not be used on wood furniture or other surfaces that might be damaged by alcohol.

WARNING: Because it contains alcohol, WEX-PRO #5 Glass Cleaner Concentrate should be kept away from sparks and open flames.
